Future Blockchain Summit - Great scalable opportunities

Metahero unveiled the global launch of its v3 Metascanner, a cutting-edge technology billed as the world's most advanced 3D scanner. Metahero also announced plans for 24 of its world-first 3D chambers at 24 locations across the globe.

Dubai World Trade Centre free zone (DWTC) and CoinMENA signed a memorandum of understanding (MoU) to develop a crypto asset and blockchain hub at Dubai World Trade Centre (DWTC).

Dubai World Trade Centre – the organisers of the Future Blockchain Summit is now a crypto zone and regulator for cryptocurrencies and other virtual assets

The move is part of a drive by Dubai to create new economic sectors
