Dear Sir,

Thanks for your valuable email and this is our great pleasure to receive your communication. We would really like to introduce ourselves, share our present business format and future plan with you.

We are actually an **indenting firm**; we do not import any product directly. We do work as a Local Office/Agent Office of different globally reputed manufacturers in Bangladesh market to perform the sales and provide service to all present and prospect customers. We do have our ready customers in **Paints, Ink and Powder Coating industry**. And we are working to develop customers in the **pharmaceutical industry of Bangladesh**.

Our Product and Services

- Lab instruments for Paints, Ink & Powder Coating
- Production Machine (Grinding Machine for Paints & Ink)
- Raw Materials (Filler and minerals for paints ,ink & Powder Coating)

Scope of development jointly with Turkish manufacturers

- We are looking for liquid filling machine
- Lab instrument for Pharmaceutical industry
- Production machines for pharmaceutical industry
- Any prospective machines suitable for Bangladesh

The following is our company structure for your kind reference

Type of Business	It's a Proprietorship Business and the type of Business: indenting firm mostly concentrated in the Paint, Ink & Powder coating industry. Developing the market of the Pharmaceutical industry. We are mainly dealing with Production Machine, Lab Instrument and very few raw materials.
